Paper Snowflake

Cut out the square. Fold diagonally in half to come up with a triangle. Fold once more in half to get a smaller triangle. Fold the left section towards the back. Fold the right section towards the back as well.
Cut away the gray area.

Unfold the paper to reveal the snowflake.

Colour, decorate and enhance your colouring and cutting skills!

DID YOU KNOW?

The largest snowflake recorded in Guiness Book of World Records fell at Fort Keogh, Montana and was 15" wide and 8" thick.

GLUE

Santa Paper Puppet

Instructions

Print and colour the template, just the middle part with the face is enough. Also color the second page with accessories.There are two sets of accessories on one sheet of paper, Cut the hat and the beard. Fold along the dashed lines. Make sure all folds are crisp. Make sure you fold both horizontal and vertical dashed line. Unfold once you are done. With the face facing the table, fold back the " flap" that says glue. Apply glue across the whole flap. Fold the other side on the \" glue" flap, gluing them together. Fold into M shape, following the dashed lines. Fold hat along the dashed line and apply glue on the white square. Stick on the Santa paper puppet. Do the same with the beard. All done! Your printable Santa paper puppet is ready to get chatty!
