How to use this book...

- Give the learners 1 minute per “box”. (12 questions)
- Once their minute is over, they move on to the next box.
- If the learners score fewer than x number of mistakes, they move on to the next test.
- If the learners score more than x number of mistakes, they stay on the same test.
- If the learners score poorly on a test more than twice, alter the test as per the learning need.
